DETAILED ACTION

The amendment received on December 14, 2005 is acknowledged and entered. Claims 1, 4-7, 11-12, 15, 19-20, and 34-35 have been amended. Claims 2-3, 10, 13-14, and 31-33 have been canceled. No claims have been added. Claims 1, 4-9, 16-30, and 34-35 are currently pending.

Response to Amendments and Arguments

Applicant's arguments filed December 14, 2005 have been fully considered but they are not persuasive.

In response to applicant's arguments that the "franchisee number managing device" refers to the "franchisee number managing section" and to "software", the examiner respectfully disagrees.

The examiner is still unable to determine if CPU 11 contains many "devices", "sections" or "software".

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

1. Claims 20, 25, 29-30, and 34 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

2. Claim 20 recites the limitation "the total amount" in 4. There is insufficient antecedent basis for this limitation in the claim.

3. Claims 25, 29, 34-35 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

As for claims 25, 29, and 34-35, the examiner is unable to determine what the applicant is claiming by the claim language "franchisee number managing device".

4. In claim 29, line 17, the examiner is unable to determine if the claim language "a repair shop" is referring to an automobile repair shop.

5. Claim 34 recites the limitation "said repair shop" in line 9. There is insufficient antecedent basis for this limitation in the claim.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any

Art Unit: 3639

extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
